ENDEAVOUR (STEM) PROGRAM

The overarching vision of the Endeavour Program is to engage students in meaningful, relevant and highly engaging projects using our very own design process.

There is a strong emphasis on developing 21st Century skills which we've called 'Competencies for Deep Learning'. We are passionate about preparing students for an uncertain world and rapidly changing workforce by ensuring they are developing these competencies that include Design thinking, Creativity, Critical Thinking, Collaboration, Communication and Citizenship.

GATEWAY PROGRAM

The Gateway Program aims to engage students in all aspects of school life with the guidance of a dedicated mentor. Students will be able to access all of the information they need to succeed at FGSC, especially in the transition years. In 2021, all students are participating in the Gateway program with the focus on The Resilience Project. With support from their Gateway Mentor, students are encouraged to use GEM – Gratitude, Empathy and Mindfulness.

2022 HIGH ACHIEVERS PROGRAM

Applications for current Year 6 (Year 7 in 2022) will be open on Monday 15th of March and close on Wednesday 14th of May 2021. Selection examination will be held on Saturday the 19th of June 2021.

For further details and application forms contact Ms. Belinda Irving on 8762 6839
